

Good Afternoon Reagan Families,

I wanted to invite you all to a special event happening at Reagan!

On Monday, January 27th Damian Buchman is coming to Ronald Reagan to present his Adaptive Scholastic Athletic Program (ASAP) which will provide our Reagan community with an education based, fully interactive and 100% inclusive disABILITY awareness assembly. Damian will teach students, educators, and administrators by putting them in a "different pair of shoes" - giving everyBODY a first hand experience that regardless of "ABILITY" - everyBODY is capABLE! If you are unable to attend but would like to know more about Damian and his mission please check out these links:

- Damian's Website <https://tacwi.org/>
- Damian's TED talk (some adult humor - censor for children) <https://youtu.be/lkA-Y1CnDSI>

This educational assembly is the kick-off to Reagan's Health.Moves.Minds fundraiser which is taking the place of the American Heart Association's Kid's Heart Challenge (or Jump Rope for Heart) that we have done in the past. This new program focuses on educating students that taking care of their body AND their mind, as well as being kind to others, helps you live your best and healthiest life. As a part of spreading kindness and helping our community, Ronald Reagan will be donating 25% of our funds raised to Damian and his #RampUp Wisconsin Avenue Park (in Wauwatosa) as part of our #ReaganGivesBack program. Damian will be transforming this park into a play and recreation space for people of ALL ages and abilities. Here is the website with the design of the park and some extra information if you would like to know more:

<https://tacwi.org/americas-most-inclusive-park> .

If you are interested in joining us on Monday, January 27th, please [click here](#) to view the schedule for the day and SIGN UP to join your child (or children) for one of the presentations given by Damian. In order to attend the assembly, you do need to have a current, approved background check on file with the district. It is also VERY helpful if you are pre-registered in the RAPTOR system so that the office staff can quickly and efficiently check you in to the building. All you need to register in the system is a valid form of picture ID (ie: driver's license or another comparable ID).

I hope to see you at the assemblies if you can make it! More information on the fundraiser will be coming out on Monday, January 27th. If you have any questions please feel free to email me.

Thanks!
