

THANK YOU

March Madness 2023 Health.Moves.Minds Supporting Quality Physical Education

Thank you for investing in quality physical education! We hosted a successful series of events! The T-shirts you sponsored look great and students look forward to wearing them in PE for the next two years! In total our events raised \$3100 to support PE. Simple students were very excited about selecting the new equipment!

Penny War Champions were celebrated with Cake Mixes ordered from Special Kneads and Treats from GA and made by our Peer to Peer group. Top student, cut 14in of Mrs. Wheeling's hair to be donated. Students celebrated with Mr. Ragan by duct-taping him to the wall!

360 Students participated in this event!

Thank You for your sponsorship!
